Golf Ball Reviews, Ratings, and Comparisons are of little value to the serious golfer.. Why? Because they do not factor in your personal equipment parameters, launch conditions, and swing type.. If you're serious about adding more distance and accuracy in 2018, then the following personal message from a Golf Ball Expert is must read material!

Golf Ball Comparisons, Reviews, and Ratings from an Expert

A driving range is an area where golfers can practice their golf swing. It can also be a recreational activity itself for amateur golfers or when enough time for a full game is not available. Many golf courses have a driving range attached and they are also found as stand-alone facilities, especially in urban areas. They are typically run by businesses or sometimes by universities.
